DJ RYMES UK

PRESS KIT 2026

PROFILE

MULTI-GENRE. CROWD-LED. BUILT FOR THE ROOM.

SHORT BIO

DJ Rymes UK is a multi-genre DJ with 15 years of experience across clubs, bars, private events, corporate settings, venue residencies and live streaming. Heavily influenced by Reggae, R&B, Soul and House, his sets move naturally across genres to match the audience, atmosphere and brief.

Alongside DJ performance, DJ Rymes UK offers hosting, sound engineering support and sound hire, giving venues and clients a flexible option for complete event delivery.

WHAT VENUES GET

A dependable DJ who understands repeat venue nights.

Music shaped around the room rather than a fixed playlist.

A wide genre range with strong Reggae, R&B, Soul and House foundations.

Professional communication, setup planning and event support.

Hosting and sound options when the booking needs more than a DJ set.

SELECTED EVENT EXPERIENCE

Universal Vybz - London & Milton Keynes Link Up · Good Vibes · The Twitch Link Up · Pre-Carnival Vibes · Vybz Bar events · Onyx Venue, Bletchley · Boxing Day Explosion 2026.

BOOKING INFORMATION

TECHNICAL & CONTACT DETAILS.

TYPICAL TECHNICAL REQUIREMENTS

Suitable professional PA for the room and audience, or sound hire can be discussed.

Stable DJ booth/table with safe mains power access.

Booth monitor preferred for club and larger-room sets.

Space for DJ controller/decks and laptop as agreed for the booking.

Wired or wireless microphone where hosting or announcements are required.

Reasonable setup/load-in access and sound-check time agreed in advance.

A booking-specific technical plan can be agreed with the venue or promoter.
